SETUP INFORMATION: Setup begins at 6am, events begin at 7:30 with the 5k run. We have to work around traffic issues dealing with the Run. Do not violate the marked off areas set aside for the run. There are usually crowds hanging around for the end of the run, so setting up early benefits you! You must be done with setup and ready to go before 9:00am at the latest. Unloading process: drive up, unload, move your vehicle, THEN come back and set up. Curb space for unloading is limited, please be considerate of other vendors who want to set up as well.

SECURITY: We are not responsible for loss or damage to your booth or its contents. Weapons of any kind are not allowed.
